

JENNIFER KEOUGH

CHIEF EXECUTIVE OFFICER AND CO-FOUNDER

I.

INTRODUCTION

Jennifer Keough is Chief Executive Officer and a Founder of JND Legal Administration (“JND”). She is the only judicially recognized expert in all facets of class action administration - from notice through distribution. With more than 20 years of legal experience, Ms. Keough has directly worked on hundreds of high-profile and complex administration engagements, including such landmark matters as the \$20 billion Gulf Coast Claims Facility, \$10 billion BP Deepwater Horizon Settlement, \$3.4 billion Cobell Indian Trust Settlement (the largest U.S. government class action settlement ever), \$3.05 billion VisaCheck/MasterMoney Antitrust Settlement, \$1.3 billion Equifax Data Breach Settlement, \$1 billion Stryker Modular Hip Settlement, \$600 million Engle Smokers Trust Fund, \$215 million USC Student Health Center Settlement, and countless other high-profile matters. She has been appointed notice expert in many notable cases and has testified on settlement matters in numerous courts and before the Senate Committee for Indian Affairs.

The only female CEO in the field, Ms. Keough oversees more than 200 employees at JND’s Seattle headquarters, as well as other office locations around the country. She manages all aspects of JND’s class action business from day-to-day processes to high-level strategies. Her comprehensive expertise with noticing, claims processing,

Systems and IT work, call center logistics, data analytics, recovery calculations, check distribution, and reporting gained her the reputation with attorneys on both sides of the aisle as the most dependable consultant for all legal administration needs. Ms. Keough also applies her knowledge and skills to other divisions of JND, including mass tort, lien resolution, government services, and eDiscovery. Given her extensive experience, Ms. Keough is often called upon to consult with parties prior to settlement, is frequently invited to speak on class action issues, and has authored numerous articles in her multiple areas of expertise.

Ms. Keough launched JND with her partners in early 2016. Just a few months later, Ms. Keough was named as the Independent Claims Administrator (“ICA”) in a complex BP Solar Panel Settlement. Ms. Keough also started receiving numerous appointments as notice expert and in 2017 was chosen to oversee a restitution program in Canada where every adult in the country was eligible to participate. Also, in 2017, Ms. Keough was named a female entrepreneur of the year finalist in the 14th Annual Stevie Awards for Women in Business. In 2015 and 2017, she was recognized as a “Woman Worth Watching” by Profiles in Diversity Journal.

Since JND’s launch, Mrs. Keough has also been featured in numerous news sources. In 2019, she was highlighted in an Authority Magazine article, “5 Things I wish someone told me before I became a CEO,” and a Moneyish article, “This is exactly how rampant ‘imposter syndrome’ is in the workforce.” In 2018, she was featured in several Fierce CEO articles, “JND Legal Administration CEO Jennifer Keough aids law firms in complicated settlements,” “Special Report—Women CEOs offer advice on defying preconceptions and blazing a trail to the top,” and “Companies stand out with organizational excellence,” as well as a Puget Sound Business Journal article, “JND Legal CEO Jennifer Keough handles law firms’ big business.” In 2013, Ms. Keough appeared in a CNN article, “What Changes with Women in the Boardroom.”

Prior to forming JND, Ms. Keough was Chief Operating Officer and Executive Vice President for one of the then largest legal administration firms in the country, where she oversaw operations in several offices across the country and was responsible for all large and critical projects. Previously, Ms. Keough worked as a class action

business analyst at Perkins Coie, one of the country's premier defense firms, where she managed complex class action settlements and remediation programs, including the selection, retention, and supervision of legal administration firms. While at Perkins she managed, among other matters, the administration of over \$100 million in the claims-made Weyerhaeuser siding case, one of the largest building product class action settlements ever. In her role, she established a reputation as being fair in her ability to see both sides of a settlement program.

Ms. Keough earned her J.D. from Seattle University. She graduated from Seattle University with a B.A. and M.S.F. with honors.

II

LANDMARK CASES

Jennifer Keough has the distinction of personally overseeing the administration of more large class action programs than any other notice expert in the field. Some of her largest engagements include the following:

1. *Allagas v. BP Solar Int'l, Inc.*

No. 14-cv-00560 (N.D. Cal.)

Ms. Keough was appointed by the United States District Court for the Northern District of California as the Independent Claims Administrator (“ICA”) supervising the notice and administration of this complex settlement involving inspection, remediation, and replacement of solar panels on homes and businesses throughout California and other parts of the United States. Ms. Keough and her team devised the administration protocol and built a network of inspectors and contractors to perform the various inspections and other work needed to assist claimants. She also built a program that included a team of operators to answer claimant questions, a fully interactive dedicated website with online claim filing capability, and a team trained in the very complex intricacies of solar panel mechanisms. In her role as ICA, Ms. Keough regularly reported to the parties and the Court regarding the progress of the case’s administration. In addition to her role as ICA, Ms. Keough also acted as mediator for those claimants who opted out of the settlement to pursue their claims individually against BP. Honorable Susan Illston, recognized the complexity of the settlement when appointing Ms. Keough the ICA (December 22, 2016):

The complexity, expense and likely duration of the litigation favors the Settlement, which provides meaningful and substantial benefits on a much shorter time frame than otherwise possible and avoids risk to class certification and the Class’s case on the merits...The Court appoints Jennifer Keough of JND Legal Administration to serve as the Independent Claims Administrator (“ICA”) as provided under the Settlement.

2. *Careathers v. Red Bull North America, Inc.*

No. 13-cv-0369 (KPF) (S.D.N.Y.)

Due to the nature of this case, direct notice was impossible. Therefore, Ms. Keough assisted in the design of a publication notice and claims administration program intended to reach the greatest number of affected individuals. Due to the success of the notice program, the informational website designed by Ms. Keough and her team received an unprecedented 67 million hits in less than 24 hours. The Claims Administration program received over 2 million claim forms submitted through the three available filing options: online, mail, and email. Judge Katherine Polk Failla approved the notice program (May 12, 2015) finding:

...that the Notice to the Settlement Class... was collectively the best notice practicable under the circumstances of these proceedings of the matters set forth therein, and fully satisfies the requirements of Rule 23(c)(2)(B) of the Federal Rules of Civil Procedure, due process, and any other applicable laws.

3. *Chester v. The TJX Cos.*

No. 15-cv-01437 (C.D. Cal.)

As the notice expert, Ms. Keough proposed a multi-faceted notice plan designed to reach over eight million class members. Where class member information was available, direct notice was sent via email and via postcard when an email was returned as undeliverable or for which there was no email address provided. Additionally, to reach the unknown class members, Ms. Keough's plan included a summary notice in eight publications directed toward the California class and a tear-away notice posted in all TJ Maxx locations in California. The notice effort also included an informational and interactive website with online claim filing and a toll-free number that provided information 24 hours a day. Additionally, associates were available to answer class member questions in both English and Spanish during business hours. Honorable Otis D. Wright, II approved the plan (May 14, 2018):

...the Court finds and determines that the Notice to Class Members was complete and constitutionally sound, because individual notices were mailed and/or emailed to all Class Members whose identities and addresses are reasonably known to the Parties, and Notice was published in accordance with this Court's Preliminary Approval Order, and such notice was the best notice practicable.

4. **Cobell v. Salazar**

No. 96 CV 1285 (TFH) (D. D.C.)

As part of the largest government class action settlement in our nation's history, Ms. Keough worked with the U.S. Government to implement the administration program responsible for identifying and providing notice to the two distinct but overlapping settlement classes. As part of the notice outreach program, Ms. Keough participated in multiple town hall meetings held at Indian reservations located across the country. Due to the efforts of the outreach program, over 80% of all class members were provided notice. Additionally, Ms. Keough played a role in creating the processes for evaluating claims and ensuring the correct distributions were made. Under Ms. Keough's supervision, the processing team processed over 480,000 claims forms to determine eligibility. Less than one half of one percent of all claim determinations made by the processing team were appealed. Ms. Keough was called upon to testify before the Senate Committee for Indian Affairs, where Senator Jon Tester of Montana praised her work in connection with notice efforts to the American Indian community when he stated: "Oh, wow. Okay... the administrator has done a good job, as your testimony has indicated, [discovering] 80 percent of the whereabouts of the unknown class members." Additionally, when evaluating the Notice Program, Judge Thomas F. Hogan concluded (July 27, 2011):

...that adequate notice of the Settlement has been provided to members of the Historical Accounting Class and to members of the Trust Administration Class.... Notice met and, in many cases, exceeded the requirements of F.R.C.P. 23(c)(2) for classes certified under F.R.C.P. 23(b)(1), (b)(2) and (b)(3). The best notice practicable has been provided class members, including individual

notice where members could be identified through reasonable effort. The contents of that notice are stated in plain, easily understood language and satisfy all requirements of F.R.C.P. 23(c)(2)(B).

5. Gulf Coast Claims Facility (GCCF)

The GCCF was one of the largest claims processing facilities in U.S. history and was responsible for resolving the claims of both individuals and businesses relating to the Deepwater Horizon oil spill. The GCCF, which Ms. Keough helped develop, processed over one million claims and distributed more than \$6 billion within the first year-and-a-half of its existence. As part of the GCCF, Ms. Keough and her team coordinated a large notice outreach program which included publication in multiple journals and magazines in the Gulf Coast area. She also established a call center staffed by individuals fluent in Spanish, Vietnamese, Laotian, Khmer, French, and Croatian.

6. Hernandez v. Experian Info. Solutions, Inc.

No. 05-cv-1070 (C.D. Cal.)

This case asserts claims in violation of the Fair Credit Reporting Act. The litigation dates back to 2005, when José Hernandez filed his original Class Action Complaint in *Hernandez v. Equifax Info. Services, LLC*, No. 05-cv-03996 (N.D. Cal.), which was later transferred to C.D. Cal. and consolidated with several other related cases. In April 2009, a settlement agreement between Defendants and some Plaintiffs was reached that would provide payments of damage awards from a \$45 million settlement fund. However, after being granted final approval by the Court, the agreement was vacated on appeal by the United States Circuit Court of Appeals for the Ninth Circuit. The parties resumed negotiations and reached an agreement in April 2017. The settlement provided both significant monetary (approximately \$38.7 million in non-reversionary cash) and non-monetary benefits. Ms. Keough oversaw the notice and administration efforts for the entire litigation. In approving the settlement and responding to objections about notice and administration expenses, Honorable David O. Carter, stated (April 6, 2018):

The Court finds, however, that the notice had significant value for the Class, resulting in over 200,000 newly approved claims—a 28% increase in the number of Class members who will receive claimed benefits—not including the almost 100,000 Class members who have visited the CCRA section of the Settlement Website thus far and the further 100,000 estimated visits expected through the end of 2019. (Dkt. 1114-1 at 3, 6). Furthermore, the notice and claims process is being conducted efficiently at a total cost of approximately \$6 million, or \$2.5 million less than the projected 2009 Proposed Settlement notice and claims process, despite intervening increases in postage rates and general inflation. In addition, the Court finds that the notice conducted in connection with the 2009 Proposed Settlement has significant ongoing value to this Class, first in notifying in 2009 over 15 million Class members of their rights under the Fair Credit Reporting Act (the ignorance of which for most Class members was one area on which Class Counsel and White Objectors’ counsel were in agreement), and because of the hundreds of thousands of claims submitted in response to that notice, and processed and validated by the claims administrator, which will be honored in this Settlement.

7. *In re Air Cargo Shipping Servs. Antitrust Litig.*

No. 06-md-1775 (JG) (VVP) (E.D.N.Y.)

This antitrust settlement involved five separate settlements. As a result, many class members were affected by more than one of the settlements, Ms. Keough constructed the notice and claims programs for each settlement in a manner which allowed affected class members the ability to compare the claims data. Each claims administration program included claims processing, review of supporting evidence, and a deficiency notification process. The deficiency notification process included mailing of deficiency letters, making follow-up phone calls, and sending emails to class members to help them complete their claim. To ensure accuracy throughout the claims process for each of the settlements, Ms. Keough created a process which audited many of the claims that were eligible for payment.

8. *In re Classmates.com*

No. C09-45RAJ (W.D. Wash.)

Ms. Keough managed a team that provided email notice to over 50 million users with an estimated success rate of 89%. When an email was returned as undeliverable, it was re-sent up to three times in an attempt to provide notice to the entire class. Additionally, Ms. Keough implemented a claims administration program which received over 699,000 claim forms and maintained three email addresses in which to receive objections, exclusions, and claim form requests. The Court approved the program when it stated:

The Court finds that the form of electronic notice... together with the published notice in the Wall Street Journal, was the best practicable notice under the circumstances and was as likely as any other form of notice to apprise potential Settlement Class members of the Settlement Agreement and their rights to opt out and to object. The Court further finds that such notice was reasonable, that it constitutes adequate and sufficient notice to all persons entitled to receive notice, and that it meets the requirements of Due Process...

9. *In re Equifax Inc. Customer Data Sec. Breach Litig.*

No. 17-md-2800-TWT (N.D. Ga.)

JND was appointed settlement administrator, under Ms. Keough's direction, for this complex data breach settlement valued at \$1.3 billion with a class of 147 million individuals nationwide. Ms. Keough and her team oversaw all aspects of claims administration, including the development of the case website which provided notice in seven languages and allowed for online claim submissions. In the first week alone, over 10 million claims were filed. Overall, the website received more than 200 million hits and the Contact Center handled well over 100,000 operator calls. Ms. Keough and her team also worked closely with the Notice Provider to ensure that each element of the media campaign was executed in the time and manner as set forth in the Notice Plan.

Approving the settlement on January 13, 2020, Judge Thomas W. Thrash, Jr. acknowledged JND's outstanding efforts:

JND transmitted the initial email notice to 104,815,404 million class members beginning on August 7, 2019. (App. 4, ¶¶ 53-54). JND later sent a supplemental email notice to the 91,167,239 class members who had not yet opted out, filed a claim, or unsubscribed from the initial email notice. (Id., ¶¶ 55-56). The notice plan also provides for JND to perform two additional supplemental email notice campaigns. (Id., ¶ 57)...JND has also developed specialized tools to assist in processing claims, calculating payments, and assisting class members in curing any deficient claims. (Id., ¶¶ 4, 21). As a result, class members have the opportunity to file a claim easily and have that claim adjudicated fairly and efficiently...The claims administrator, JND, is highly experienced in administering large class action settlements and judgments, and it has detailed the efforts it has made in administering the settlement, facilitating claims, and ensuring those claims are properly and efficiently handled. (App. 4, ¶¶ 4, 21; see also Doc. 739-6, ¶¶ 2-10). Among other things, JND has developed protocols and a database to assist in processing claims, calculating payments, and assisting class members in curing any deficient claims. (Id., ¶¶ 4, 21). Additionally, JND has the capacity to handle class member inquiries and claims of this magnitude. (App. 4, ¶¶ 5, 42). This factor, therefore, supports approving the relief provided by this settlement.

10. *In re General Motors Ignition Switch Litig.*

No. 2543 (MDL) (S.D.N.Y.)

GM Ignition Switch Compensation Claims Resolution Facility

Ms. Keough oversaw the creation of a Claims Facility for the submission of injury claims allegedly resulting from the faulty ignition switch. The Claims Facility worked with experts when evaluating the claim forms submitted. First, the Claims Facility reviewed thousands of pages of police reports, medical documentation, and pictures to determine whether a claim met the threshold

standards of an eligible claim for further review by the expert. Second, the Claims Facility would inform the expert that a claim was ready for its review. Ms. Keough constructed a database which allowed for a seamless transfer of claim forms and supporting documentation to the expert for further review.

11. *In re General Motors Ignition Switch Litig.*

No. 2543 (MDL) (S.D.N.Y.)

Ms. Keough was also recently appointed the class action settlement administrator for the \$120 million GM Ignition Switch settlement. On April 27, 2020, Honorable Jesse M. Furman approved the notice program designed by Ms. Keough and her team and the notice documents they drafted with the parties:

The Court further finds that the Class Notice informs Class Members of the Settlement in a reasonable manner under Federal Rule of Civil Procedure 23(e)(1)(B) because it fairly apprises the prospective Class Members of the terms of the proposed Settlement and of the options that are open to them in connection with the proceedings.

The Court therefore approves the proposed Class Notice plan, and hereby directs that such notice be disseminated to Class Members in the manner set forth in the Settlement Agreement and described in the Declaration of the Class Action Settlement Administrator...

Under Ms. Keough's direction, JND has already mailed notice to nearly 30 million potential class members.

12. *In re Mercedes-Benz Emissions Litig.*

No. 16-cv-881 (D.N.J.)

JND Legal Administration was recently appointed as the Settlement Administrator in this \$700 million plus settlement wherein Daimler AG and its subsidiary Mercedes-Benz USA reached an agreement to settle a consumer class action alleging that the automotive companies unlawfully misled consumers into purchasing certain diesel type vehicles by misrepresenting the environmental

impact of these vehicles during on-road driving. As part of its appointment, the Court approved Jennifer Keough's proposed notice plan and authorized JND Legal Administration to provide notice and claims administration services.

13. In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010

No. 2179 (MDL) (E.D. La.)

Following the closure of the Gulf Coast Claims Facility, the Deepwater Horizon Settlement claims program was created. There were two separate legal settlements that provided for two claims administration programs. One of the programs was for the submission of medical claims and the other was for the submission of economic and property damage claims. Ms. Keough played a key role in the formation of the claims program for the evaluation of economic and property damage claims. Additionally, Ms. Keough built and supervised the back-office mail and processing center in Hammond, Louisiana, which was the hub of the program. The Hammond center was visited several times by Claims Administrator Pat Juneau -- as well as by the District Court Judge and Magistrate -- who described it as a shining star of the program.

14. In re Stryker Rejuvenate and ABG II Hip Implant Products Liab. Litig.

No. 13-2441 (MDL) (D. Minn.)

Ms. Keough and her team were designated as the escrow agent and claims processor in this \$1 billion settlement designed to compensate eligible U.S. Patients who had surgery to replace their Rejuvenate Modular-Neck and/or ABG II Modular-Neck hip stems prior to November 3, 2014. As the claims processor, Ms. Keough and her team designed internal procedures to ensure the accurate review of all medical documentation received; designed an interactive website which included online claim filing; and established a toll-free number to allow class members to receive information about the settlement 24 hours a day. Additionally, she oversaw the creation of a deficiency process to ensure claimants were notified of their deficient submission and provided an opportunity to cure. The program

also included an auditing procedure designed to detect fraudulent claims and a process for distributing initial and supplemental payments. Approximately 95% of the registered eligible patients enrolled in the settlement program.

15. *In re The Engle Trust Fund*

No. 94-08273 CA 22 (Fla. 11th Jud. Cir. Ct.)

Ms. Keough played a key role in administering this \$600 million landmark case against the country's five largest tobacco companies. Miles A. McGrane, III, Trustee to the Engle Trust Fund recognized Ms. Keough's role when he stated:

The outstanding organizational and administrative skills of Jennifer Keough cannot be overstated. Jennifer was most valuable to me in handling numerous substantive issues in connection with the landmark Engle Trust Fund matter. And, in her communications with affected class members, Jennifer proved to be a caring expert at what she does.

16. *In re Washington Mut. Inc., Sec. Litig.*

No. 08-md-1919 MJP (W.D. Wash.)

Ms. Keough supervised the notice and claims administration for this securities class action, which included three separate settlements with defendants totaling \$208.5 million. In addition to mailing notice to over one million class members, Ms. Keough managed the claims administration program, including the review and processing of claims, notification of claim deficiencies, and distribution. In preparation for the processing of claims, Ms. Keough and her team established a unique database to store the proofs of claim and supporting documentation; trained staff to the particulars of this settlement; created multiple computer programs for the entry of class member's unique information; and developed a program to calculate the recognized loss amounts pursuant to the plan of allocation. The program was designed to allow proofs of claim to be filed by mail or through an online portal. A deficiency process was established in order to reach out to class members who submitted incomplete proof of claims. The deficiency process involved reaching out to claimants via letters, emails, and telephone calls.

17. *In re Yahoo! Inc. Sec. Litig.*

No. 17-cv-373 (N.D. Cal.)

Ms. Keough oversaw the notice and administration of this \$80 million securities settlement. In approving the settlement, Judge Lucy H. Koh, stated (September 7, 2018):

The Court hereby finds that the forms and methods of notifying the Settlement Class of the Settlement and its terms and conditions: met the requirements of due process, Rule 23 of the Federal Rules of Civil Procedure, and 15 U.S.C. § 78u-4(a)(7) (added to the Exchange Act by the Private Securities Litigation Reform Act of 1995); constituted the best notice practicable under the circumstances; and constituted due and sufficient notice to all persons and entities entitled thereto of these proceedings and the matters set forth herein, including the Settlement and Plan of Allocation.

18. *Linneman v. Vita-Mix Corp.*

No. 15-cv-748 (S.D. Ohio)

Ms. Keough was hired by Plaintiff Counsel to design a notice program regarding this consumer settlement related to allegedly defective blenders. The Court approved Ms. Keough's plan and designated her as the notice expert for this case. As direct notice to the entire class was impracticable due to the nature of the case, Ms. Keough proposed a multi-faceted notice program. Direct notice was provided by mail or email to those purchasers identified through data obtained from Vita-Mix and third parties, such as retailers, dealers, distributors, or restaurant supply stores. To reach the unknown class members, Ms. Keough oversaw the design of an extensive media plan that included: published notice in *Cooking Light*, *Good Housekeeping*, and *People* magazine and digital notice; placements through Facebook/Instagram, Twitter, and Conversant; and paid search campaign through Google and Bing. In addition, the program included an informational and interactive website where class members could submit claims electronically, and a toll-free number that provided information to class

members 24 hours a day. When approving the plan, Honorable Susan J. Dlott stated (May 3, 2018):

JND Legal Administration, previously appointed to supervise and administer the notice process, as well as oversee the administration of the Settlement, appropriately issued notice to the Class as more fully set forth in the Agreement, which included the creation and operation of the Settlement Website and more than 3.8 million mailed or emailed notices to Class Members. As of March 27, 2018, approximately 300,000 claims have been filed by Class Members, further demonstrating the success of the Court-approved notice program.

19. Loblaw Card Program

Jennifer Keough was selected by major Canadian retailer Loblaw and its counsel to act as program administrator in its voluntary remediation program. The program was created as a response to a price-fixing scheme perpetrated by some employees of the company involving bread products. The program offered a \$25 gift card to all adults in Canada who purchased bread products in Loblaw stores between 2002 and 2015. Some 28 million Canadian residents were potential claimants. Ms. Keough and her team: (1) built an interactive website that was capable of withstanding hundreds of millions of “hits” in a short period of time; (2) built, staffed and trained a call center with operators available to take calls twelve hours a day, six days a week; (3) oversaw the vendor in charge of producing and distributing the cards; (4) was in charge of designing and overseeing fraud prevention procedures; and (5) handled myriad other tasks related to this high-profile and complex project.

20. New Orleans Tax Assessor Project

After Hurricane Katrina, the City of New Orleans began to reappraise properties in the area which caused property values to rise. Thousands of property owners appealed their new property values and the City Council did not have the capacity to handle all the appeals in a timely manner. As a result of the large number of appeals, the City of New Orleans hired Ms. Keough to design a

unique database to store each appellant's historical property documentation. Additionally, Ms. Keough designed a facility responsible for scheduling and coordinating meetings between the 5,000 property owners who appealed their property values and real estate agents or appraisers. The database that Ms. Keough designed facilitated the meetings between the property owners and the property appraisers by allowing the property appraisers to review the property owner's documentation before and during the appointment with them.

21. USC Student Health Ctr. Settlement

No. 18-cv-04258-SVW (C.D. Cal.)

JND was approved as the Settlement Administrator in this important \$215 million settlement that provides compensation to women who were sexually assaulted, harassed and otherwise abused by Dr. George M. Tyndall at the USC Student Health Center during a nearly 30-year period. Ms. Keough and her team designed a notice effort that included: mailed and email notice to potential Class members; digital notices on Facebook, LinkedIn, and Twitter; an internet search effort; notice placements in USC publications/eNewsletters; and a press release. In addition, her team worked with USC staff to ensure notice postings around campus, on USC's website and social media accounts, and in USC alumni communications, among other things. Ms. Keough ensured the establishment of an all-female call center, whose operators were fully trained to handle delicate interactions, with the goal of providing excellent service and assistance to every woman affected. She also worked with the JND staff handling lien resolution for this case. Preliminarily approving the settlement, Honorable Stephen V. Wilson stated (June 12, 2019):

The Court hereby designates JND Legal Administration ("JND") as Claims Administrator. The Court finds that giving Class Members notice of the Settlement is justified under Rule 23(e)(1) because, as described above, the Court will likely be able to: approve the Settlement under Rule 23(e)(2); and certify the Settlement Class for purposes of judgment. The Court finds that the proposed

Notice satisfies the requirements of due process and Federal Rule of Civil Procedure 23 and provides the best notice practicable under the circumstances.

22. Williams v. Weyerhaeuser Co.

Civil Action No. 995787 (Cal. Super. Ct.)

This landmark consumer fraud litigation against Weyerhaeuser Co. had over \$100 million in claims paid. The action involved exterior hardboard siding installed on homes and other structures throughout the United States from January 1, 1981 to December 31, 1999 that was alleged to be defective and prematurely fail when exposed to normal weather conditions.

Ms. Keough oversaw the administration efforts of this program, both when she was employed by Perkins Coie, who represented defendants, and later when she joined the legal administration firm handling the case. Operating for nine years, the claims program was extensive, subject to varying claims with varying claims deadlines depending on when the class member installed the original Weyerhaeuser siding. The program involved not just payments to class members, but an inspection component where a court-appointed inspector analyzed the particular claimant's siding to determine the eligibility and award level. Class members received a check for their damages, based upon the total square footage of damaged siding, multiplied by the cost of replacing, or, in some instances, repairing, the siding on their homes. Ms. Keough oversaw the entirety of the program from start to finish.

JUDICIAL RECOGNITION

Courts have favorably recognized Ms. Keough's work as outlined above and by the sampling of judicial comments from JND programs listed below.

1. Judge Jesus G. Bernal

Noriesta v. Konica Minolta Bus. Solutions U.S.A., Inc., (October 22, 2020)

No. 19-cv-00620 (C.D. Cal.):

Rule 23(c)(2)(B) requires that the Court "direct to class members the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort." Fed. R. Civ. P. 23(c)(2)(B). Similarly, Rule 23(e)(1) requires that a proposed settlement may only be approved after notice is directed in a reasonable manner to all class members who would be bound by the agreement. Fed. R. Civ. P. 23(e)(1). In its MPA Order, the Court approved the notice sent to Settlement Class Members. (MPA Order at 13.) JND Legal Administration completed notice in accordance with the procedures approved by the Court. (See Keough Decl.) The Court therefore finds that notice to the Settlement Class was adequate.

2. Honorable Dennis M. Cavanaugh, U.S.D.J. (Ret. Special Master)

In re Mercedes-Benz Emissions Litig., (September 16, 2020)

No. 16-cv-881 (D.N.J.):

The Court finds that the content, format, and method of disseminating notice, as set forth in the Motion, Declaration of JND Legal Administration, the Class Action Agreement, and the proposed Long Form Notice, Short Form Notice, and Supplemental Notice of Class Benefits (collectively, the "Class Notice Documents") – including direct First Class mailed notice to all known members of the Class deposited in the mail within the later of (a) 15 business days of the Preliminary Approval Order; or (b) 15 business days after a federal district court enters the US-CA Consent Decree – is the best notice practicable under the circumstances and satisfies all requirements provided in Rule 23(c)(2)(B). The Court approves such notice, and hereby directs that

such notice be disseminated in the manner set forth in the Class Action Settlement to the Class under Rule 23(e)(1)...JND Legal Administration is hereby appointed as the Settlement Administrator and shall perform all duties of the Settlement Administrator set forth in the Class Action Settlement.

3. Judge Susan O. Hickey

Stuart v. State Farm Fire & Cas. Co., (June 2, 2020)

No. 14-cv-04001 (W.D. Ark.):

Plaintiffs and the Administrator have satisfactorily demonstrated that the Class Notice and Claim Form was mailed, that the Publication Notice was published, that the Postcard Notice was mailed, and that an automated toll-free telephone number and settlement website were established in accordance with the Stipulation and Preliminary Approval Order.

4. Judge Susan R. Bolton

In re Banner Health Data Breach Litig., (April 21, 2020)

No. 16-cv-02696 (D. Ariz.):

JND mailed 13,344 class action notices to class members by first-class mail on January 14, 2017. See Keough Decl., ¶ 6. If the mailings returned undeliverable, JND used skip tracing to identify the most updated addresses for class members. Id. To date, JND reports that only 179 notices are undeliverable. Id. ¶ 7. Moreover, as of March 21, 2017, the deadline for filing objections, JND had received no objections to the final settlement agreement. The lack of objections is an indicator that class members find the settlement to be fair, reasonable, and adequate.
